

INTERNATIONAL
DARK SKY
DISCOVERY CENTER

January 12, 2021

Dear IDSDC Donors,

Tomorrow is the day we've been waiting for, the launch of our capital campaign. Thanks to YOUR generous contributions to support our fundraising preparations, we developed architectural renderings, printed materials, website, two videos, and more.

The first video will be shared tomorrow in an email update to you and our 500+ subscribers and it will serve as the cornerstone for our launch. We hope you will forward the email containing the video link to others or post the link on social media.

Tomorrow we are also distributing a press release to many media outlets throughout Arizona and nationally. In the coming days, we expect to see some publicity generated.

We can't thank you and all our donors enough because you kept us going through this difficult past year and helped keep our stars aligned.

Again, thank you.
